"An extraordinary opportunity awaits in Kedungu, Bali – a sprawling freehold piece of land that beckons visionaries and investors alike. This prime parcel, an ideal canvas for a stunning villa development or a strategic addition to your land bank, promises a harmonious blend of tranquillity and future appreciation"

About Land

Strategic Area

Nestled among picturesque rice fields, this freehold land offers a unique proposition for those seeking to create their Bali dream villa. The serenity of the surroundings, coupled with the gentle whispers of rustling rice paddies, sets the stage for a lifestyle that seamlessly integrates modern luxury with the island's timeless charm.
